

WORKSHOP

By Elements Financial | Your Credit Union Partner

| Raising Money Smart Kids

In this workshop, you'll learn about:

- > Discover how early money habits form and why teaching financial values at home is crucial.
- > Learn age-appropriate strategies from preschool through high school to build confidence step-by-step.
- > Explore how to use conversations, real-life situations, and activities to raise financially responsible kids.

Lunch will be provided for all in person attendees.
