

## FREE LUNCH & LEARN WORKSHOP

By Elements Financial | Your Credit Union Partner

# Becoming a Better Health Care Consumer - 11am

Most people come out ahead when they use a high deductible health plan with a health savings account. If you're unfamiliar with HSAs, you could be missing out on substantial healthcare savings. Let Elements help you understand all of the benefits of an HSA, like how to actively manage your health care expenses, financial savings through lower premiums, and the triple tax advantage.

**Lunch will be provided.**
