

WORKSHOP

By Elements Financial | Your Credit Union Partner

Renovations & Repairs with Ron and Ross

Join us for a Community Workshop featuring Ron Senci, Executive Vice President of Lending & Sales and Ross Graham, Assistant Vice President of Creative & Digital Experience, who share unique approaches to home renovations and repairs.

During this workshop, you'll learn about:

- > Home renovations that add the most value to your property
- > Strategies for funding your next home improvement
- > When to take on DIY projects and when to hire the experts

Closed captioning available.
