Presented by Elements Financial, Your Credit Union Partner

A Course Made Just For Women To Discuss Topics That May Affect Your Finances.

Attend "Taking Control: Women and Investing." Women today have careers, start businesses, run households, raise children, and help aging parents. These competing priorities can get in the way of planning for a comfortable financial future. But by taking care of yourself financially, you may be able to take better care of the ones you love. This workshop offers sound, practical strategies that you can use immediately.
