

FREE LUNCH & LEARN WORKSHOP

Presented by Elements Financial, Your Credit Union Partner

How Does Your Credit Impact Your Life?

Attend "Understanding Your Credit." This is a crash course in controlling your financial destiny. By understanding the components of a credit report and how a credit score is calculated, you can better understand the prices you pay for loans and use revolving credit more wisely. As a follow up to this program, you can schedule a complimentary one-on-one credit review.
